

US AIR FORCE

MSE Group has an extensive track record of successful performance with the U.S. Air Force, successfully completing more than \$30 million of USAF environmental remediation, compliance, and construction work. Project types span a broad range of technical expertise and have included turnkey design/build assessment and remediation at active launch complexes, design and construction of landfills, implementation of multiyear stormwater design and maintenance, and development and implementation of GIS-based data management solutions for a variety of environmental compliance programs.

Our excellent reputation has resulted in almost 20 years of continual contract awards from the Air Force on both a competitive and direct-source basis.

ABOUT US

FOUNDED IN 2002

MSE Group, LLC, is an international environmental, engineering, and construction firm providing qualified and competitive environmental, engineering, and health and safety services to public and private entities nationwide. Success for our clients, teaming partners, and employees is derived from an intense work ethic and the ability to enjoy the journey.

We are an SBA-certified 8(a), EDWOSB 8(m), DBE business with additional state and local small business and minority certifications in numerous states across the country. With 14 branch and satellite office locations nationwide, MSE stands ready to support your needs and exceed your expectations every time.

MSE – FEDERAL CLIENTS

- U.S. Army Corps of Engineers – Mobile District
- U.S. Army Corps of Engineers – Savannah District
- U.S. Army Corps of Engineers – Jacksonville District
- Naval Facilities Engineering Command – Southeast
- Naval Facilities Engineering Command – Mid-Atlantic

- Department of Homeland Security – Federal Law Enforcement Training Center
- Department of Homeland Security – U.S. Coast Guard
- National Park Service
- U.S. Forest Service
- Department of Veterans Affairs
- General Services Administration

US AIR FORCE

SERVICES & CAPABILITIES

- Emissions inventories
- Air quality analysis
- Air quality/Title V permitting
- Design/installation of pollution control devices
- Environmental program support
- EPCRA Tier II and Form R reporting
- Hazardous material program support
- HW reduction/pollution prevention plans
- NPDES permitting
- Radon assessment
- Solid waste management
- SPCC/FRP plan development and certification
- Storage tank management
- Grease trap survey
- Limnology study and corrective action
- PCB soil characterization and delineation
- Pond soil and sediment sampling and analysis
- Sampling and analysis of soil, water, air
- Sewer infiltration and investigation study
- Wastewater/drinking water infrastructure maintenance
- Wastewater infrastructure assessment
- Stormwater compliance
- Stormwater pollution prevention plans
- TMDL background analysis
- Accident prevention plans
- Landfill closure/caps
- Landfill design/construction
- Sanitary sewer design/construction
- Environmental data management
- GIS layer development
- Environmental assessment
- Invasive species management
- Mobile source emissions
- NEPA documentation
- T&E habitat management
- Threatened and endangered species surveys
- Wetlands delineation
- Wetlands permitting (401/404)
- CERCLA Five-Year Review
- Long-term monitoring/land use controls
- Public meeting support
- VOC hot spot monitoring

SBA-CERTIFIED

NAICS QUALIFIED

- 115310 Support Activities for Forestry
- 237310 Highway, Street, and Bridge Construction
- 237990 Other Heavy and Civil Engineering Construction
- 541310 Architectural Services
- 541330 Engineering Services
- 541340 Drafting Services
- 541611 Administrative Management and General Management Consulting Services
- 541620 Environmental Consulting Services
- 541690 Other Scientific and Technical Consulting Services
- 541715 Research and Development in the Physical, Engineering, and Life Sciences (except Nanotechnology and Biotechnology)
- 541990 All Other Professional, Scientific, and Technical Services
- 562212 Solid Waste Landfill
- 562910 Remediation Services

SUCCESSSES

EXCELLING IN OUR FIELD

“The Air Force is very pleased with the work of [MSE Group]. We are fortunate to have them as an approved contractor.”

– *Water Program Manager*
Patrick Air Force Base

Our quality is documented in our ACASS and CPARS ratings (50% Excellent – 35% Very Good)
